# Welcome

It's been just over a year since the brand launch of West London Chambers of Commerce and we are celebrating the success at our seventh Festival of Business. Please note that we are holding the Ealing Festival of Business on 17th October 2024, at UWL.

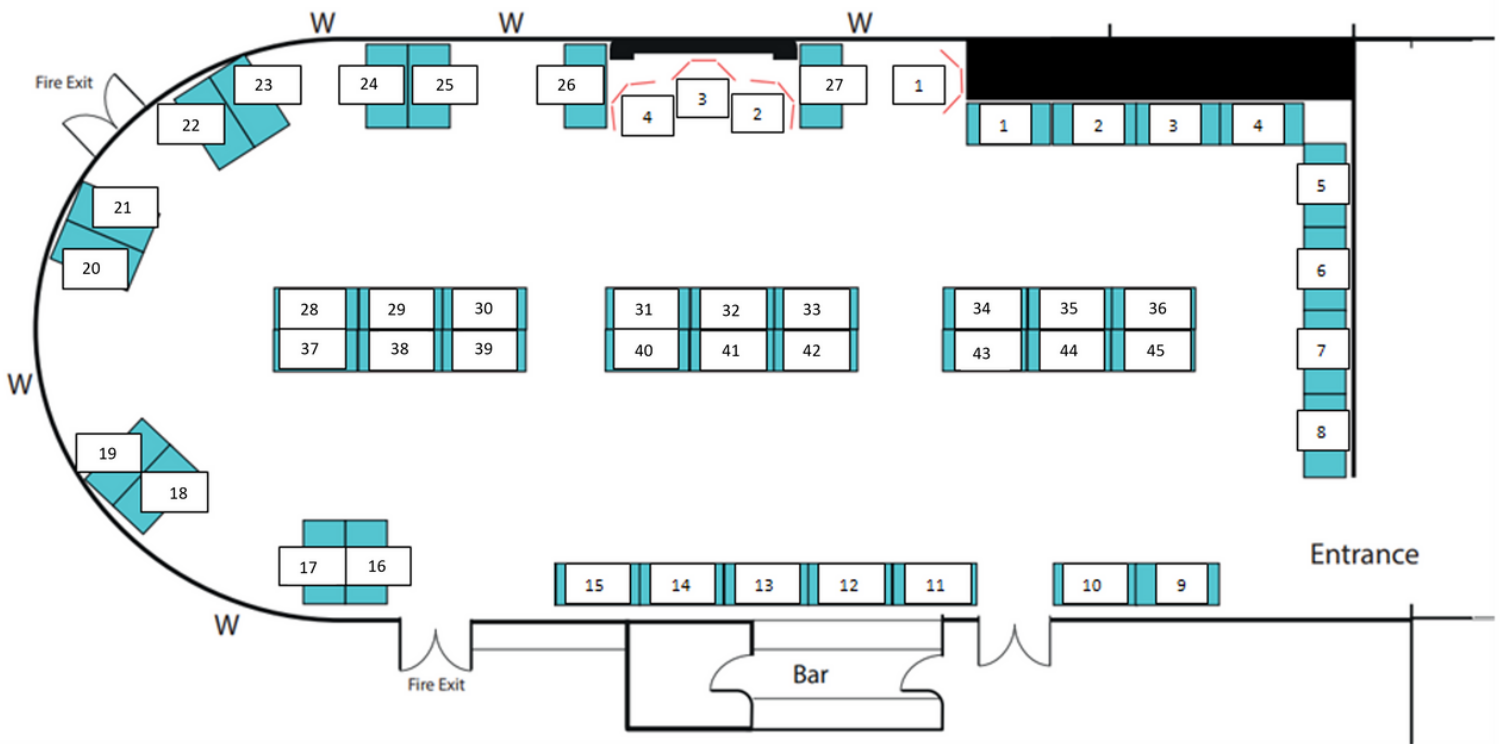

- Membership up by 730 members to 1,930!
- West London Festival of Business includes 20% overseas companies and a record 350 attendees.
- International Trade Events
- Second International Women's Day event
- Launch of regular Women's Business Breakfast
- West London Regeneration included speeches from all three Council Leaders
- Third Charity Golf Afternoon up to 50% with 70 players
- 10th Business Awards with 290 attendees, with a waiting list.
- 100+ breakfast/lunch/evening meetings including Sector Summits
- Events on our own or in partnerships with our neighbouring Chambers, London's Local Chambers, Acton, Hammersmith & Fulham BIDs, Networking London and Spelthorne Business Forum.

The London Borough of Hounslow has a vibrant and diverse population of some 280,000 people and a business community in excess of some 18,000 companies that reflect all aspects of that diversity. London is the biggest economy in the UK and after the City of London and Canary Wharf, West London is the third largest economy in London. Additionally, our offer now covers Ealing and Hammersmith & Fulham to nearly 1m people making the area the equivalent to the UK's seventh largest city with a GDP of £40bn.

Our job is to support and be the voice for business in our part of west London. We believe that when businesses are given the necessary space to grow, communities benefit from new jobs, property development and other economic activities that take shape.
