# Welcome

We are so pleased to be holding the first Ealing Festival of Business and would like to thank our sponsors: Ealing Council, Heathrow, UWL, West London College and Currie Motors for helping to make it happen.

West London Chambers started life in 1908, as Feltham Trader's Association. We launched West London Chambers, covering Ealing, Hammersmith & Fulham and Hounslow in 2023. We are now the second largest Chamber of Commerce in London and in the South-East with just under 2,000 members, and a database of 8,000 businesses.

The Ealing Business Expo was started eight years ago by Contactus Ealing. In 2022, they decided not to continue, and West London Chambers stepped in, with their blessing, to run the Ealing Festival of Business.

We have a proven track record. West London Chambers has successfully hosted the West London Festival of Business for the past five years, and each year it grows in success! We are confident that the Ealing Festival of Business will also become an annual event.

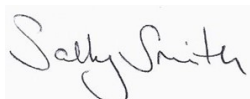

West London Chambers is a highly active Chamber of Commerce, holding around 80 events each year. We hold regular business breakfasts, Women in Business events, informative webinars, networking evenings and four Flagship events: annual Business Awards, a charity Golf day and two Festivals of Business (Ealing & Hounslow). Alongside our domestic events we have a reputation for international trade events, led by Alan Rides, CEO, who is ex-DIT and what he doesn't know about international trade is not worth knowing. To date this year, we have welcomed 20 international trade delegations, and we are taking a trade mission to Morocco next month.

London is the biggest economy in the UK, and after the City of London and the financial districts, west London is the second largest economy with nearly, 50,000 companies, 1M people and a £40bn economy.

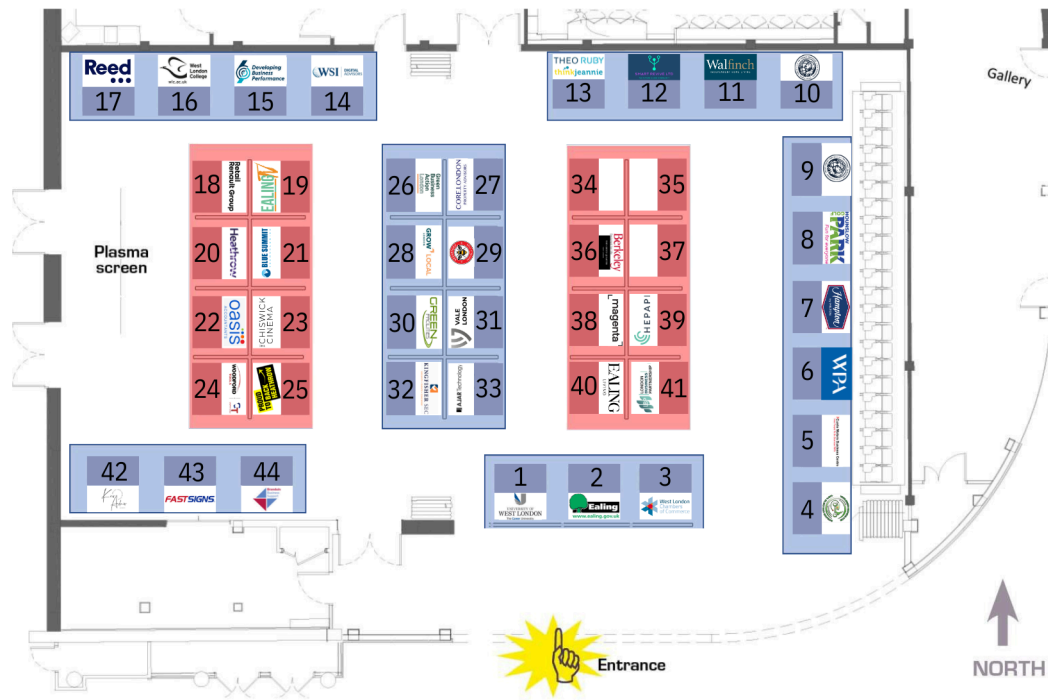

Our job is to support and be the voice for business in our part of west London. We believe that when businesses are given the necessary space to grow, communities benefit from new jobs, property development and other economic activities that take shape.

And a huge thank you to our team, Aya, Gerry, Lisa, Darius, and our Board for all their hard work, and to you for coming along!

I hope you find the day useful and indeed enjoyable!
