Novap HR is proud to join the West London Chambers of Commerce.

HR operations are becoming more critical than ever. With a strict reform on employment legislation, Novap can help you take the stress out of HR. Whether you're a growing start-up or a well established organisation, we offer flexible, transparent support tailored to your business needs.

We understand the financial restrictions of businesses and offer high quality services at a competitive price. For more complex or one-off projects, our experienced HR Consultants are available by the hour or day to deliver expert, hands-on support.

We create sustainable and tailored solution that work for your company.
