Welcome

West London Chambers is the fastest growing Chamber of Commerce in London and the southeast, with an enviable reputation for trust worthiness. We have just over 2,200 members, and a database of 8,500 businesses across west London. We are a highly active Chamber run by a small, dedicated team.

Each year we run five Flagship events:

- Festival of Business
- Regeneration Conference
- Charity Golf Day
- Ealing Festival of Business
- Business Awards

Alongside the above we hold regular business breakfast, evening networking events and many webinars, all of which are recorded and are on our YouTube channel. We run a successful Women in Business group.

Last year we were instrumental in getting Hounslow's Heart BID off the ground. Hounslow's Heart BID (Business Improvement District) officially started on 1st December 2025, and we now have Bill Miller, the BID manager in place. Bill is working on behalf of the BID to improve the feel and look of Hounslow Town Centre. Business spoke and we have listened. High on the agenda is enhanced safety and cleanliness. One of the first things the BID did was to increase the number of Marshals patrolling the BID area. They are instantly recognisable in their bright red padded gilets. Hounslow's Heart is here today, on Stand no 3. Please go talk to Bill and Kavin to learn more.

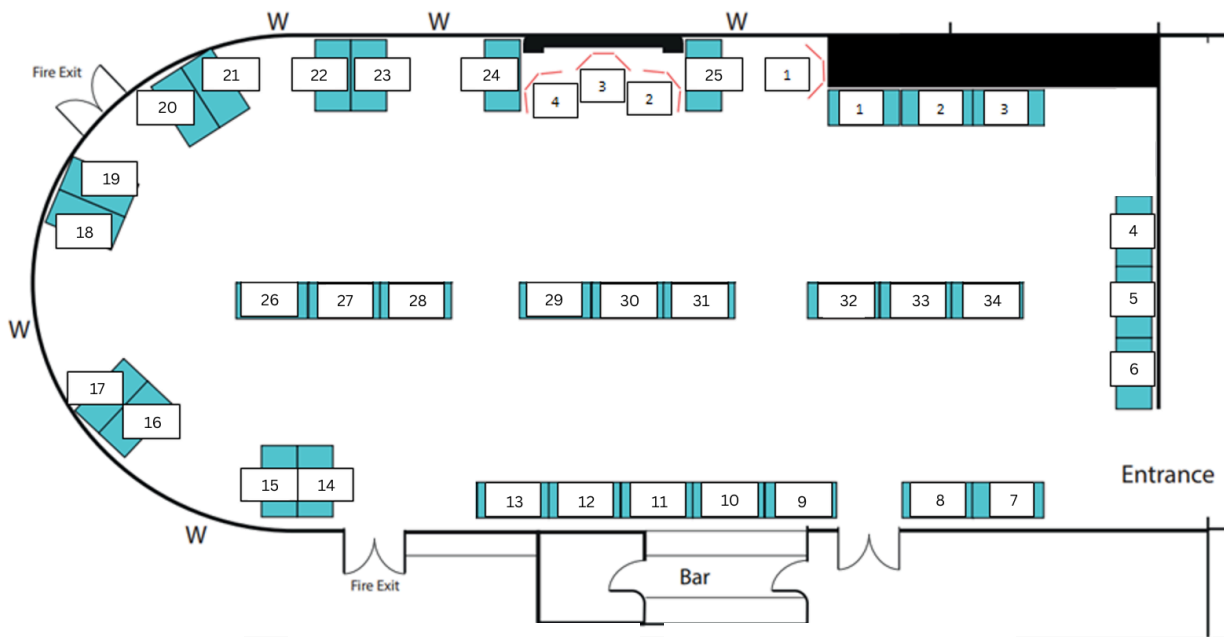

Alongside all this, our reputation for International Trade continues to grow. Led by Alan Rides, our CEO and former DIT officer, last year we led trade delegations to China, Atlanta, Turkey and Morocco. This year we plan to return to these countries and to take a trade mission to India. These are all in addition to the inbound missions of businesses who visit us and other international trade events, which totalled 45 international events during the year including training.

As with all membership organisations what you put in is what you get out. We are here to help you, our businesses so please let us know how we can help you and your business.

Together we can grow and aid prosperity for us all!
