Welcome

We are so pleased to be back at the University of West London with the Ealing Festival of Business. Thank you to our sponsors: iFAST Global Bank, Barratt West London, UWL, Ealing Council and Currie Motors. We could not put on such event without their help! And of course, to all the stand holders – welcome!

West London Chambers of Commerce was launched in 2023 on the back of small local Chamber history going back to 1908. As West London Chambers, we offer government award winning Chamber services to Ealing, Hammersmith & Fulham, alongside Hounslow. As is evident we are here for the long haul and are the second largest Chamber of Commerce in London and in the South-East with just over 2,300 members, and a database of 8,500 businesses.

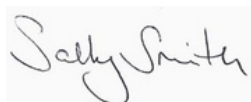

West London Chambers is a highly active Chamber of Commerce, holding 45 domestic events and 40 international trade events last year. Domestic events are made up of business breakfasts, Women in Business events, Black history month events, informative webinars, networking evenings and five Flagship events: annual Business Awards, Regeneration Conference, a charity Golf Day and two Festivals of Business (Ealing & Hounslow). Alongside our domestic events and a glossy business magazine, *Let's Talk Business*, we deliver award winning international trade events, led by Alan Rides, CEO, who, in addition to being a local business owner, is a former business government trade officer. He has just returned from a Trade Mission to Atlanta, Georgia. To date this year, we have welcomed international trade delegations from Africa, Asia, Middle East and America plus we have taken trade missions to Hong Kong, China, Taiwan and Turkey. Coming up is a mission to India.

London is the biggest economy in the UK, and after the City of London and the financial districts, west London is the second largest economy with nearly, 50,000 companies, 1m people and a £40bn economy.

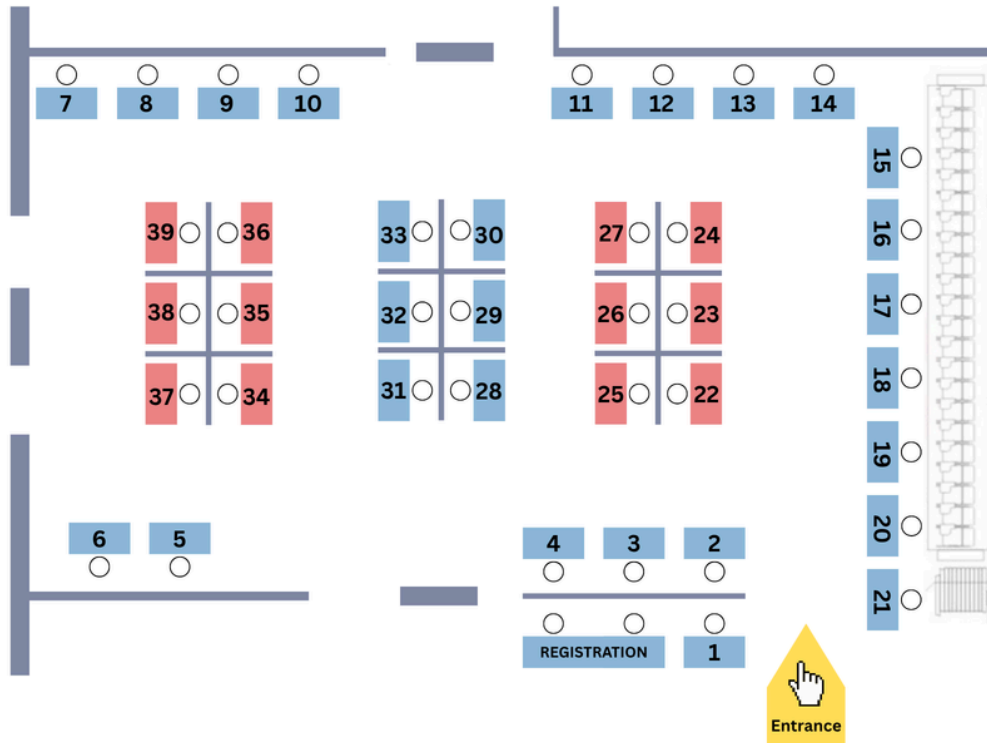

Please do try to visit and engage with all the stands to see what is going on in your part of west London. It is always good to spend the local pound in your local area. Also, take a look at the seminars, this year we are concentrating on how to make your business more profitable, with a number of seminars. Please see the agenda in this booklet.

Our CEO will also host a meet the buyer session with Purchasing Managers whose budget stretches to billions.

Ealing Council is in the Boardroom in the Westmont Hub, where they are promoting their Ealing Council 100 Opportunities Campaign, By signing the pledge you will be helping to unlock the potential of the next generation.
